Welcome to the Fall Convention!

On behalf of the Far Western District, I am pleased to welcome all of you BACK to the Far Western District Fall Convention. And judging from the looks of things, everyone is rip roarin' and anxious to get back to competitive singing. We have over thirty quartets and fifteen choruses, several of whom have not been to District in many years. What a wonderful way to usher in this new beginning!! And you, as our audience, are in for a treat with a terrific lineup of singers. I am certain that you are also more than ready to go, so enjoy all the performances and show them all the appreciation exemplary of a great barbershop audience.

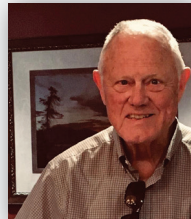

And I also want to recognize the great work of my wife, Patsy Miller, the District Events Team, the Contest & Judging Committee, Randy Meyer, and the host chapter, Voices of California in putting this convention together! Finally, here's to the quartets and choruses who have put in countless hours of preparation for this contest. Now let's all go have an unforgettable and triumphant event!!

Richard Lund, Convention Chairman

John Krizek – Convention Honoree

John Krizek, a 63 year member of the Barbershop Harmony Society, has played a prominent leadership role at the chapter, district and Society levels since 1965. Along with Jerry Orloff he helped create the Auditions for Admissions membership recruitment program which between the years 1969-73 saw a 40% increase in NorCal division membership. As NorCal Division VP he helped create the Association of Bay Area Chapters, which for a period of nearly ten years sponsored a series of Logopedics Spectaculars featuring choruses of 400+ barbershoppers and generating tens of thousands of dollars for the Institute of Logopedics. In 1990 John was the general chairman of the Society's International Convention San Francisco. He also participated in the development of the Society-wide Young Men in Harmony Program. He participated in the development of the Society-wide Young Men in Harmony Program. He participated in the development of the Society-wide Young Men in Harmony Program. He participated in the development of the Society-wide Young Men in Harmony Program.

John is a member of the FWD Hall of Fame, is a past FWD President and former member of the Society Board of Directors. For nearly twenty years he served as both a member and chairman of the Society's public relations/marketing committees. He also was an instructor for the International COTS (Chapter Officer Training Seminars) for over a decade. John has won two chorus gold medals singing with the Masters of Harmony and was part of the team which led to the creation of the Westminster Chorus.

John Krizek has gone far beyond just being a barbershopper on the risers, and it is an honor to recognize him and his many contributions which have made such a difference to this great hobby we share.
