FAR WESTERN DISTRICT
FW80
Eighty Years

Welcome to the 80th Anniversary Far Western District Fall Convention!

For eight decades, the Far Western District has been a beacon of musical excellence, close harmony, and enduring fellowship within the Barbershop Harmony Society. Reaching our 80th milestone is not just a celebration of our history; it is a testament to generations of singers, leaders, directors, quartets, choruses, and dedicated volunteers

who have poured their hearts and souls into keeping the barbershop art form vibrant and thriving across our district. From our earliest days to this momentous gathering, our passion for four-part a cappella harmony has brought us together, built lifelong friendships, and enriched thousands of lives.

Holding this landmark convention in Hawai'i adds a truly extraordinary layer to our celebration. The spirit of Aloha—rooted in warmth, unity, kindness, and mutual respect—mirrors the core values of our barbershop community. Just as music transcends boundaries, the rich culture and hospitality of the Hawaiian Islands remind us of the power of connection. As we gather against this stunning backdrop, we are invited not only to share our love of song, but to celebrate the unique heritage and beauty of our hosts.

This weekend promises to be unforgettable. Our schedule is filled with inspiring quartet and chorus contests, exhilarating evaluations, engaging educational opportunities, and, of course, endless tag singing late into the night. Whether you are stepping onto the contest stage, directing a chorus, supporting your favorite group from the audience, or attending your very first FWD convention, you are an essential part of the magic that will unfold over the next few days. I encourage you to cheer loudly for every performer, make new friends, catch up with old companions, and sing until your voice needs a break!

As we reflect on 80 incredible years, we also look forward with excitement to the future of the Far Western District. The energy, talent, and inclusivity present in our district today ensure that our next chapter will be even brighter. We continue to welcome new voices, champion youth and community outreach, and expand the horizons of our musical family.

Thank you to our host chapter the Aloha Chapter, our hardworking convention committee, our judges, and every volunteer whose tireless efforts behind the scenes have made this historic event possible. Most importantly, thank you to each of you for traveling from near and far to share your voices and your spirit with us.

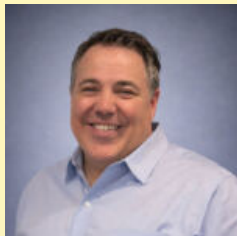

Welcome to Hawai'i, congratulations on 80 fantastic years, and let's make some unforgettable harmony together!

Yours in Harmony,
Adam Kaufman
*President, Far Western District
Barbershop Harmony Society*

Aloha and Welcome!

It is my great pleasure to welcome you to Hawai'i and the Pan Pacific Harmony Convention 2026.

Seeing all of you here is especially meaningful to me because I know just how much work has gone into making this week possible. What began as an idea has taken years of planning, countless meetings, plenty of problem-solving, and the dedication of an incredible group of people who believed in what this convention could become.

So many volunteers, committee members, performers, partners, and supporters have given their time and talents to bring us to this moment. There are far too many people to recognize individually here, but please know how grateful I am to every person who played a part. This convention simply would not be happening without you. Mahalo!

This week is also an opportunity to celebrate an important milestone: the 80th anniversary of the Far Western District. For 80 years, the District has brought people together through barbershop harmony, creating friendships, traditions, and memories that have lasted generations. I can think of few better places to celebrate that history, and the future of our art form, than together here in Hawai'i.

After all the planning and preparation, my hope now is very simple: enjoy it.

Enjoy the competition and performances. Sing some tags. Reconnect with friends you haven't seen in years and introduce yourself to someone you've never met. Take in the incredible sound of singers from different places and backgrounds coming together through a shared love of harmony.

And please, don't spend your entire visit inside a convention venue.

You came all the way to Hawai'i, so make some time to experience it. Put your feet in the sand. Watch the sunset over the Pacific. Try something you haven't eaten before. Explore O'ahu. Learn a little about the culture and history of these islands. Slow down for a moment and simply enjoy being here.

Long after the scores have been announced and the last chord has rung, I hope what you remember most are the people you met, the music you shared, and the experiences you had together.

To those who traveled across the Pacific, from the mainland, or from right here in Hawai'i, thank you for being part of the Pan Pacific Harmony Convention 2026. Having you here is what makes all the work worthwhile.

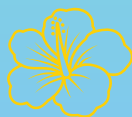

Welcome to Hawai'i. Welcome to the Pan Pacific Harmony Convention 2026.

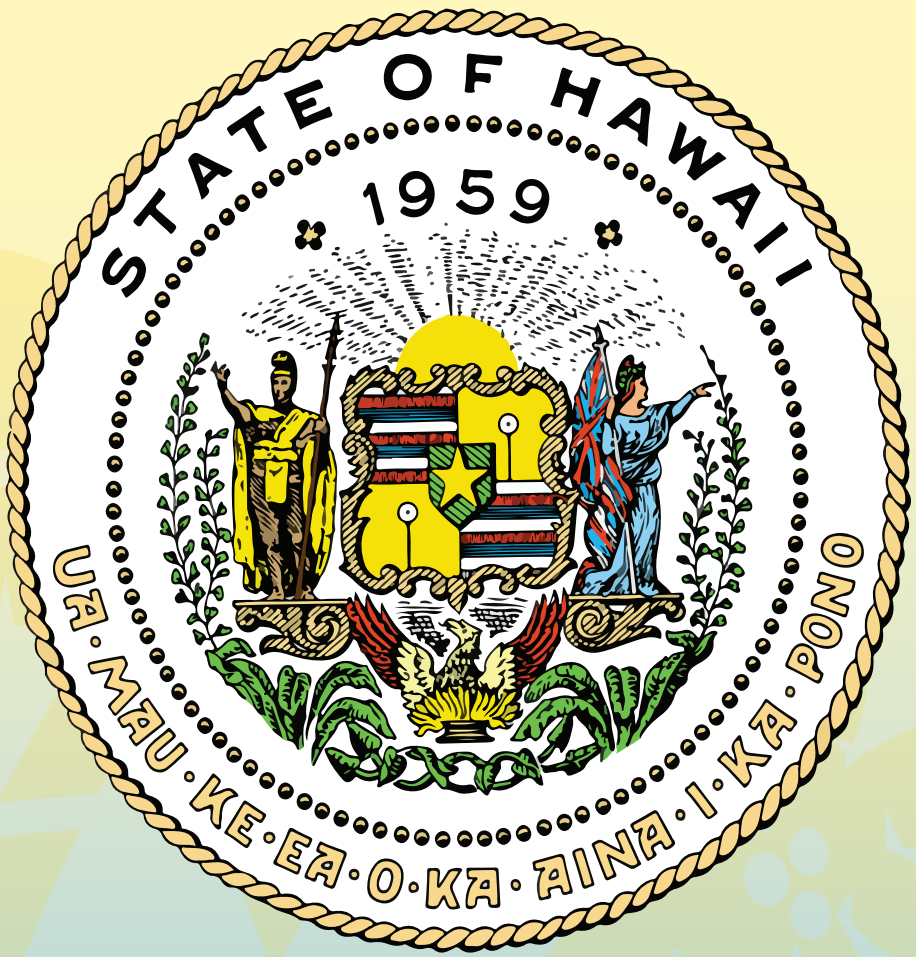

Now let's make some memories, and some great harmony, together.

Steve Salmon

2026 Fall Convention Honoree

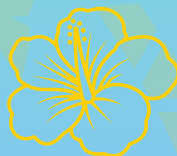

As the Far Western District celebrates its 80th Anniversary it is fitting that the 2026 Fall Convention be dedicated to a man whose life reflects enduring service, leadership, fellowship and a deep love of barbershop harmony; Steve Salmon.

Steve joined the Society in 1992, and has sung with all the three Las Vegas choruses – The Gambleaires, City of Lights, and the Silver Statesmen. His service has included Musical Director, President, Vice President of Music and Performance, Music Team Leader and Section Leader. He has also been an active quartet member, and to date has performed with 10 different registered quartets.

At the District level Steve has been a strong supporter of the Youth in Harmony program. He has organized and presented classes at various Far Western District Schools where he generously shared his knowledge and experiences with both singers and chapter leaders.

An Eagle Scout, Steve has continued to serve the Scouting organization as a Scoutmaster and in numerous council-level leadership and training roles.

Steve is a quiet but powerful example of the type of leadership which is keeping the Society strong!

FAR WESTERN DISTRICT FW80 *Eighty Years*

A Legacy of Harmony: A Brief History of the Far Western District

The story of the Far Western District began on October 22, 1946, under the visionary leadership of our first President, Russel C. Stanton. Just six months later, on April 25, 1947, the district hosted its inaugural convention in Long Beach, California, crowning the Bonanza Four from Reno, Nevada, as our very first quartet champions. Musical excellence quickly became a hallmark of the district; in 1952, the Eden-Hayward chapter, under the direction of Norm Cory, captured FWD's first chorus championship.

Over the past eight decades, the Far Western District has established an unprecedented legacy of championship musicality. FWD proudly stands as the most decorated district in the Barbershop Harmony Society, having earned eleven International Quartet Championships and eighteen International Chorus Championships—more than any other district in BHS history. Beyond our competition achievements, numerous FWD members, leaders, and ensembles have been honored with induction into the prestigious Barbershop Hall of Fame.

Our district's cultural impact reaches far beyond the contest stage. Since 1959, FWD has been the home of the world's most famous barbershop quartet, the Dapper Dans. Performing daily at Disneyland, they have introduced millions of visitors from around the globe to the joy of live four-part harmony, serving as premier ambassadors for our art form for over six decades.

Today, the Far Western District spans five vibrant divisions encompassing California, Nevada, Arizona, Hawai'i, and Washington County, Utah. Each year, our members gather for three regional spring divisional conventions, culminating in our signature district-wide fall convention every October to celebrate competition, education, and lifelong fellowship.

Beyond the Reef

Written in Hawai'i in 1948 by Canadian-born musician Jack Pitman, ***Beyond the Reef*** has become one of the enduring songs of Hawai'i's musical heritage. It is a wonderful example of ***hapa haole*** music, a style blending Hawaiian musical traditions with American popular music, often featuring English lyrics.

Our barbershop connection comes through arranger **Paul Engel**, a Far Western District legend who was honored by the district in 2025. A longtime arranger, educator and musician, Paul is also a graduate of Honolulu's Roosevelt High School.

With its deep Hawai'i roots, its connection to the Far Western District, and its beautiful, singable melody, ***Beyond the Reef*** is a fitting song to bring us together as we celebrate this historic first combined Far Western District & Pan Pacific convention in Honolulu in October 2026.

We will perform this at the Beach & Mass sings. Get the chart and tracks here!

Determining Relative Rank

Music

Music is defined as the song and arrangement, as performed. The Music Category judges the arranger's skill and the performer's musicianship in bringing the mood or story of the song to life, and the suitability of the material to the barbershop style.

Performance

These judges evaluate how effectively a performer brings the song to life. They judge the entertainment value of the performance — the art of the performance.

Singing

In the Singing Category, artistic singing in the barbershop style is judged — listening holistically for ringing in-tune voices that use a free, beautiful and rich vocal quality, which is wonderfully unified and vocally expressive.

Each judge may award up to 100 points per song.

Definition of the Barbershop Style

Barbershop harmony is a style of unaccompanied vocal music characterized by consonant four-part chords for every melody note in a primarily homorhythmic (the same word sounds at the same time) texture. The melody is consistently sung by the lead (second tenor), with the tenor (first tenor) harmonizing above the melody, the bass singing the lowest harmonizing notes, and the baritone completing the chord. Occasional brief passages may be sung by fewer than four voice parts.

Barbershop music features songs with understandable lyrics and easily singable melodies, whose tones clearly define a tonal center and imply major and minor chords and barbershop (dominant and secondary dominant) seventh chords that often resolve around the circle of fifths, while also making use of other resolutions. Barbershop music also features a balanced and symmetrical form, and a standard meter. The basic song and its harmonization are embellished by the arranger to provide appropriate support of the song's theme and to close the song effectively.

Barbershop singers adjust pitches to achieve perfectly tuned chords (instead of tempered tuning like the piano) in just intonation while remaining true to the established tonal center. Artistic singing in the barbershop style exhibits a fullness or expansion of sound, precise intonation, a high degree of vocal skill, and a high level of unity and consistency

within the ensemble. Ideally, these elements are natural, not manufactured, and free from apparent effort.

The performance of barbershop music uses appropriate musical and visual methods to convey the theme of the song and provide the audience with an emotionally satisfying and entertaining experience. Barbershop singers traditionally do not hold sheet music. The musical and visual delivery is from the heart, believable, and sensitive to the song and its arrangement throughout. The most stylistic performance artistically melds together the musical and visual aspects to create and sustain the illusions suggested by the music.

Barbershop can be performed in quartets as well as choirs, and can be found all over the world in male, female, and mixed ensembles.

Ring True Campaign

Right now, only 10% of BHS members are giving. That matters because when sponsors or granters look at us, they ask a simple question: Does your own community believe in you?

The answer isn't in what we say-it's in how many of us show up and give.

Organizations with strong participation earn outside support because it's clear their members are already committed. That's where we want to be.

Our goal is 50%, and the gap between 10% and 50% isn't a problem-it's our opportunity.

To celebrate the **Ring True Campaign**, all donors will receive this limited edition lapel pin.
