## Policies for the Lloyd Steinkamp

### Endowment Fund for

### Far Western District Harmony Camps

- The Purpose of the Lloyd Steinkamp Endowment Fund (“Fund”) is to provide supplemental financial support for weekend long Harmony Camps within the Far Western District (FWD) of the Barbershop Harmony Society (BHS).
- The purpose of weekend long Harmony Camps is to introduce a cappella barbershop harmony singing primarily to high school age boys.
- The overall goal for the Fund is to grow the principal to a level that will provide long term financial support for the Far Western District Youth Movement.
- The Fund will be held by the Sacramento Region Community Foundation. This is a major Foundation in the local Sacramento Region that is large, stable and growing.
- Initially, all funds donated to the Fund will be used to build the capital of the Fund toward an initial goal of \$200,000. Once the Fund balance achieves that initial goal, withdrawals may commence consistent with the policies of the Sacramento Region Community Foundation. Currently, those policies allow a withdrawal of no more than four percent per year.
- Once the initial goal of \$200,000 is achieved, the goal of the Fund is to provide supplemental support for the FWD Youth Harmony Camp in Northern California.
- As the Fund continues to grow, the prime recipient of withdrawals from the Fund is the FWD Youth Harmony Camp in Northern California.
- The overall goal for the Fund is \$400,000, at which point the FWD Board may elect to fund additional weekend long Harmony Camps within the FWD.

# Announcing the Lloyd Steinkamp Endowment Fund for FWD Harmony Camps

The purpose of the Lloyd Steinkamp Endowment Fund is to provide, in perpetuity, supplemental financial support for weekend long Harmony Camps within the Far Western District of the Barbershop Harmony Society.

To that end, we have partnered with the Sacramento Region Community Foundation, a large, local (to Northern California), Foundation to hold and manage the funds for optimal safety and returns for the benefit of all young men who choose to experience the magic of barbershop harmony at Harmony Camp now and for generations to come.

Harmony Camp 2013

Having fun!

Comment from one of the boys:  
“This event shows me that when you sing, you sing with fun and emotions because I was always having tension whenever I sang, but when I got here I changed my attitude with singing.”

Dr. Tim Sharp, Executive Director, American Choral Directors Association:

“I thank you for the renewed energy that is apparent in your organization. I can't tell you how many excited BHS members I talked with in Salt Lake City.”
